

SAIL & FLY ABOVE WATER

Discover the feeling of flying above water, without depending on waves or wind.

Sail the Mediterranean Sea and enjoy a unique experience at Costa del Sol onboard with us.

EXPERIENCE

Sail through Costa del Sol coast and enjoy the efoils boards freely in open water in the best spots.

It does not matter your level, our instructors will give you all the tools and techniques to make your experince on an efoil unforgettable.

No physical preparation is needed. Anyone can fly above water.

INCLUDED

In the experience we will give you a helmet, an impact vest + high buoyancy and 2 efoils. You will be in direct contact with the instructor thanks to the wireless comms system.

Groups of 1 to 8 people

Snack on board +
Experience recorded - **video**

Our boards, propelled thanks to electric energy emission free, gives you the opportunity to enjoy like never before a water sport.

Adreanline and strong emotions are assured.

You won't forget your first time efoiling.

Book your experience!

You can book your experience through our website, email or by phone. Choose the date and time that suits you best

*It is possible to extend the experience for a full day. Ask us for more info.
